

### **DRAWING AMENDMENTS**

All the Figures including the Figure 3 with marked "Replacement Sheet" are resubmitted herewith.

**REMARKS-General**

1. Applicant acknowledges the allowability of claims 22-30. The amended independent claim 22 incorporates all structural limitations of the original claim 1 and includes further limitations previously brought forth in the original allowable claim 22. The claims 23-30 are amended to include all of the limitations of the base claims and any intervening claims. No new matter has been included. All claims 22-30 are submitted to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112.

**Response to Rejection of Claims 22-30 under 35USC112**

2. The applicant submits that the amended claims 22-30 particularly point out and distinctly claim the subject matter of the instant invention, as pursuant to 35USC112.

**The Cited but Non-Applied References**

3. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

4. A set of formal drawings, including Figure 3, are resubmitted herewith to replace the corresponding original figures in file.

5. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection are requested. Allowance of claims 22-30 at an early date is solicited.

6. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,
